

# Aisin Manufacturing Illinois

Marion, IL  
One storey  
42,200 square foot office  
291,260 square foot plant

A 19,800 square-foot office was initially constructed on the 43-acre site with 144,000 square feet of manufacturing space.

Automotive body components such as sunroofs, sliding door modules, and power back door units are produced in this facility.

Additional land was acquired for Aisin Light Metals and Aisin Electronics Illinois (separate companies assisted by MNA).

A subsequent addition has increased the office and plant.
