

Shortridge Middle/High School

Indianapolis, IN
Four stories
296,100 square feet
\$15,855,201

Indianapolis Public Schools is converting Shortridge Middle School from a Theater/Arts Magnet to a Government/Law Magnet Middle/High School. MNA assisted IPS in programming the facility for grades six through twelve.

Air-conditioning is being added with complete upgrading of mechanical, electrical, controls, and intercom systems. A complete reroof of the historic building is included along with limestone restoration and masonry repairs. Installing a new kitchen is included in this project.
